*Seeing in him a
man of sincerity,
of involvement,
we recognize a
magnitude of
Christian strength
and daring*

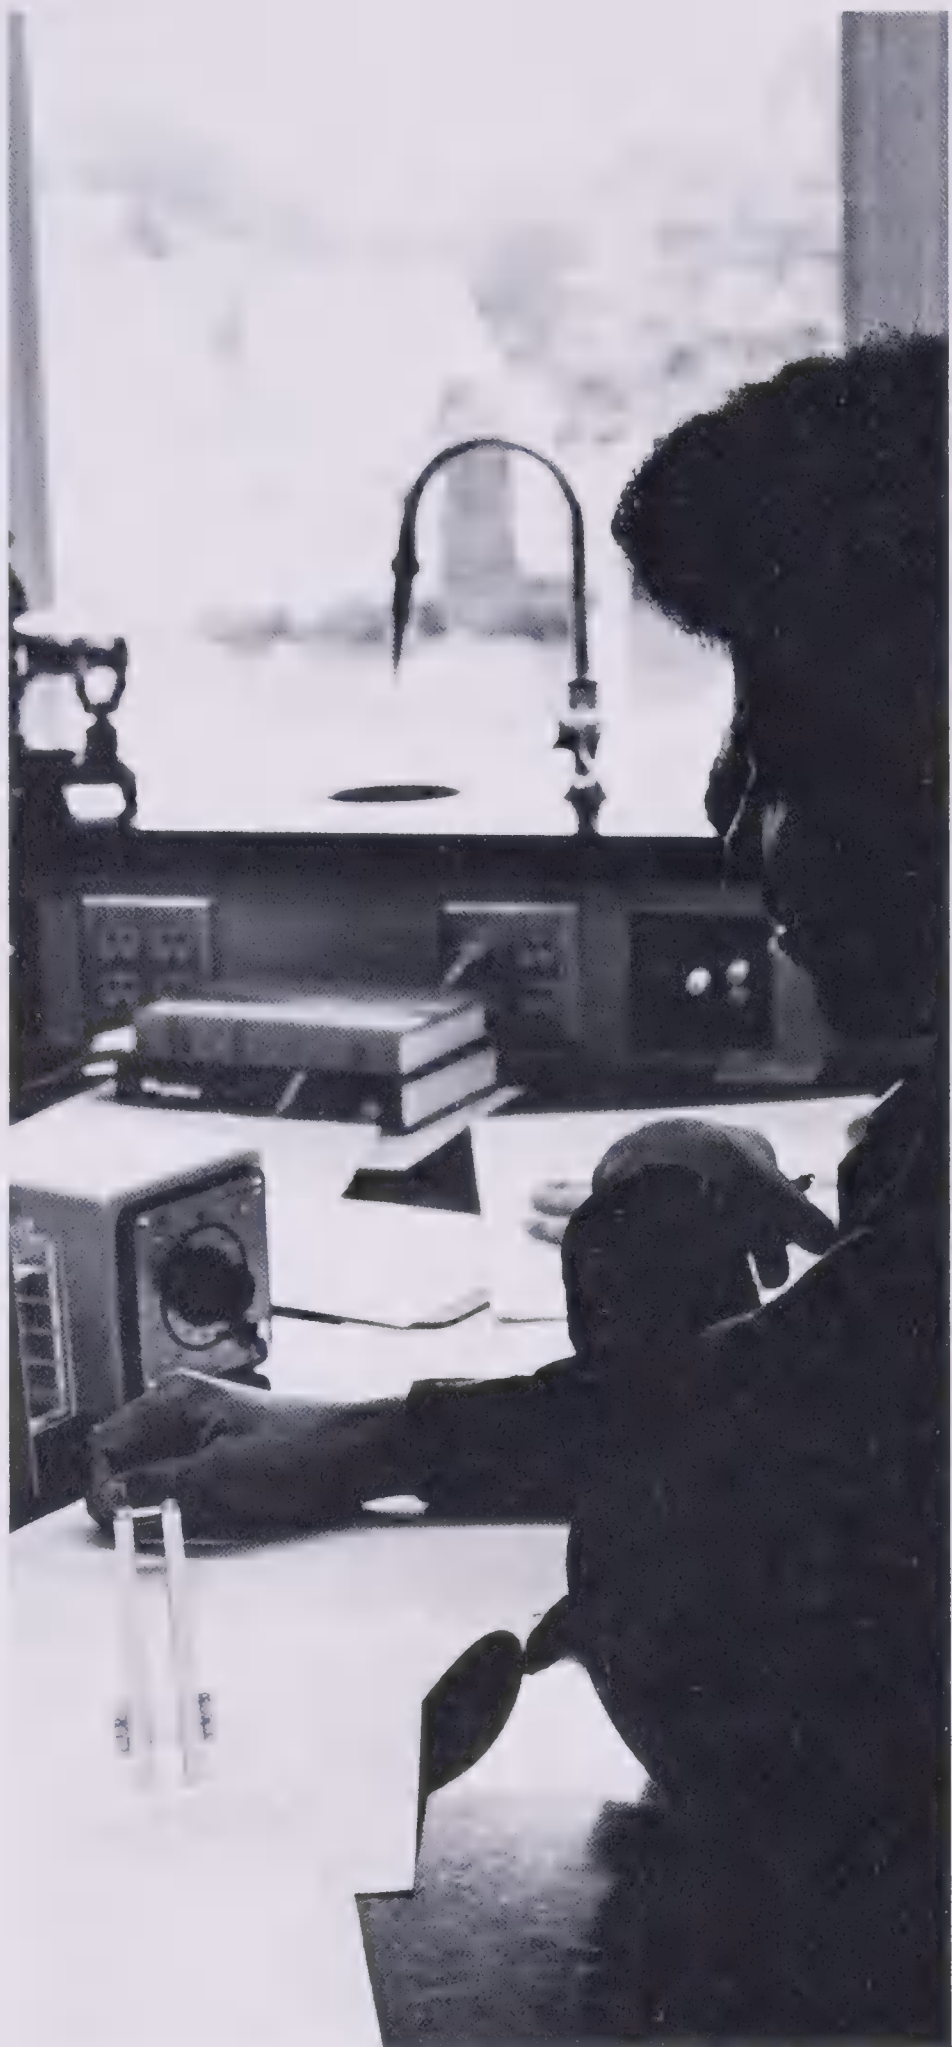

*Giving to others a
better understanding
of the human
and divine,
Dr. Joseph Barnes
is appreciated,
loved, respected.*

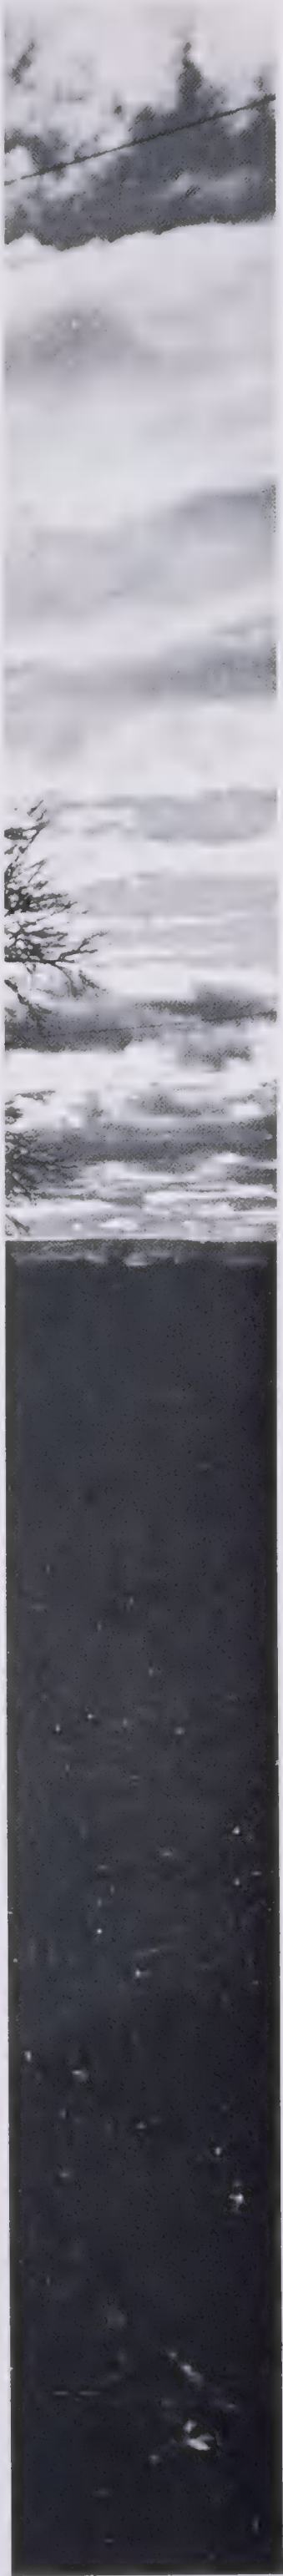

Listening, questioning,
expecting, searching--
then discovering and
understanding reality.

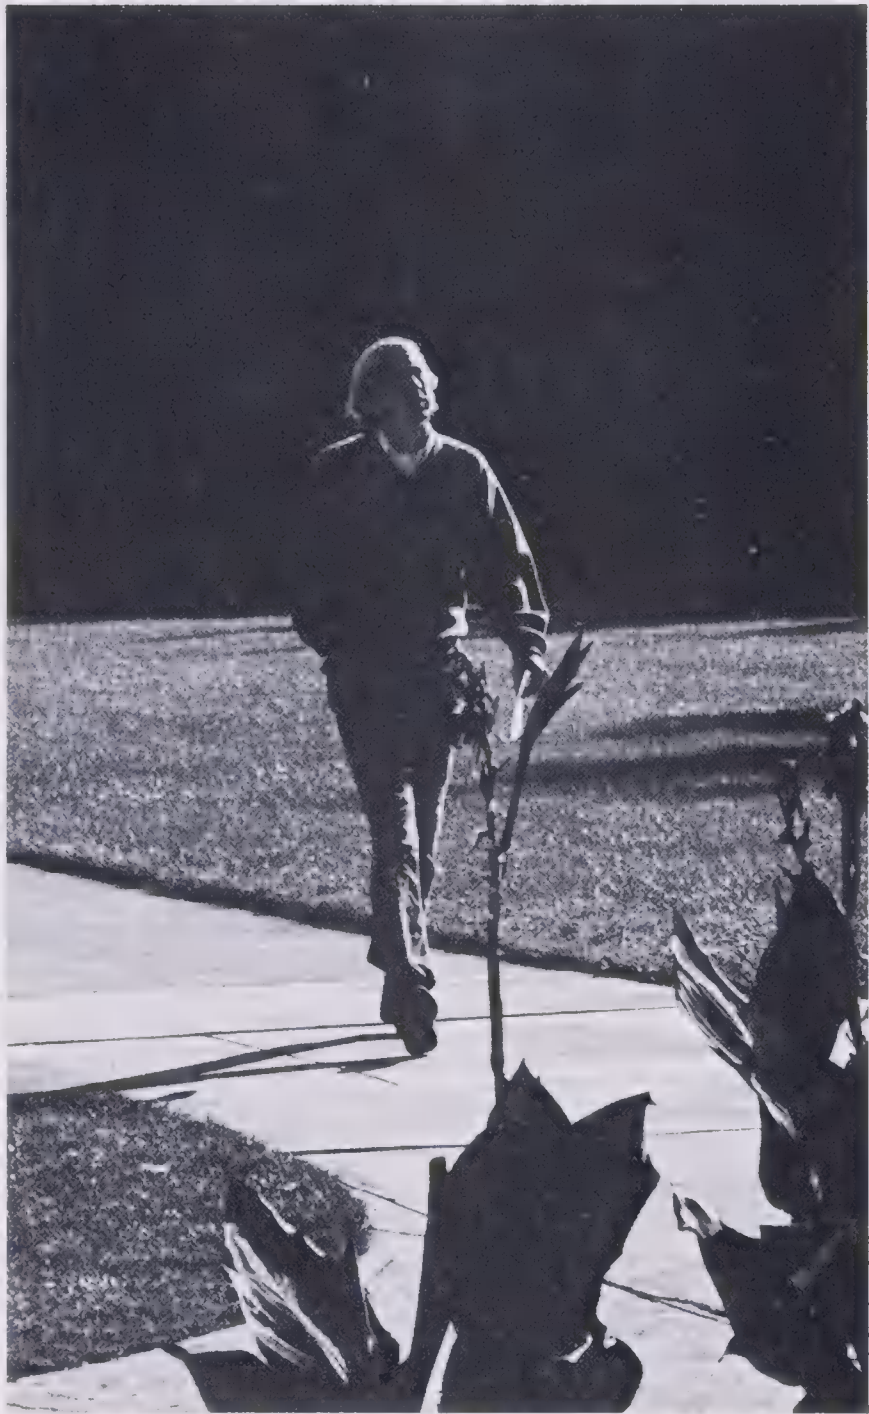

*Accepting and believing truth--
reveling in its mystery.*

*"Your hearts know in
silence the secrets of
the days and the nights."*

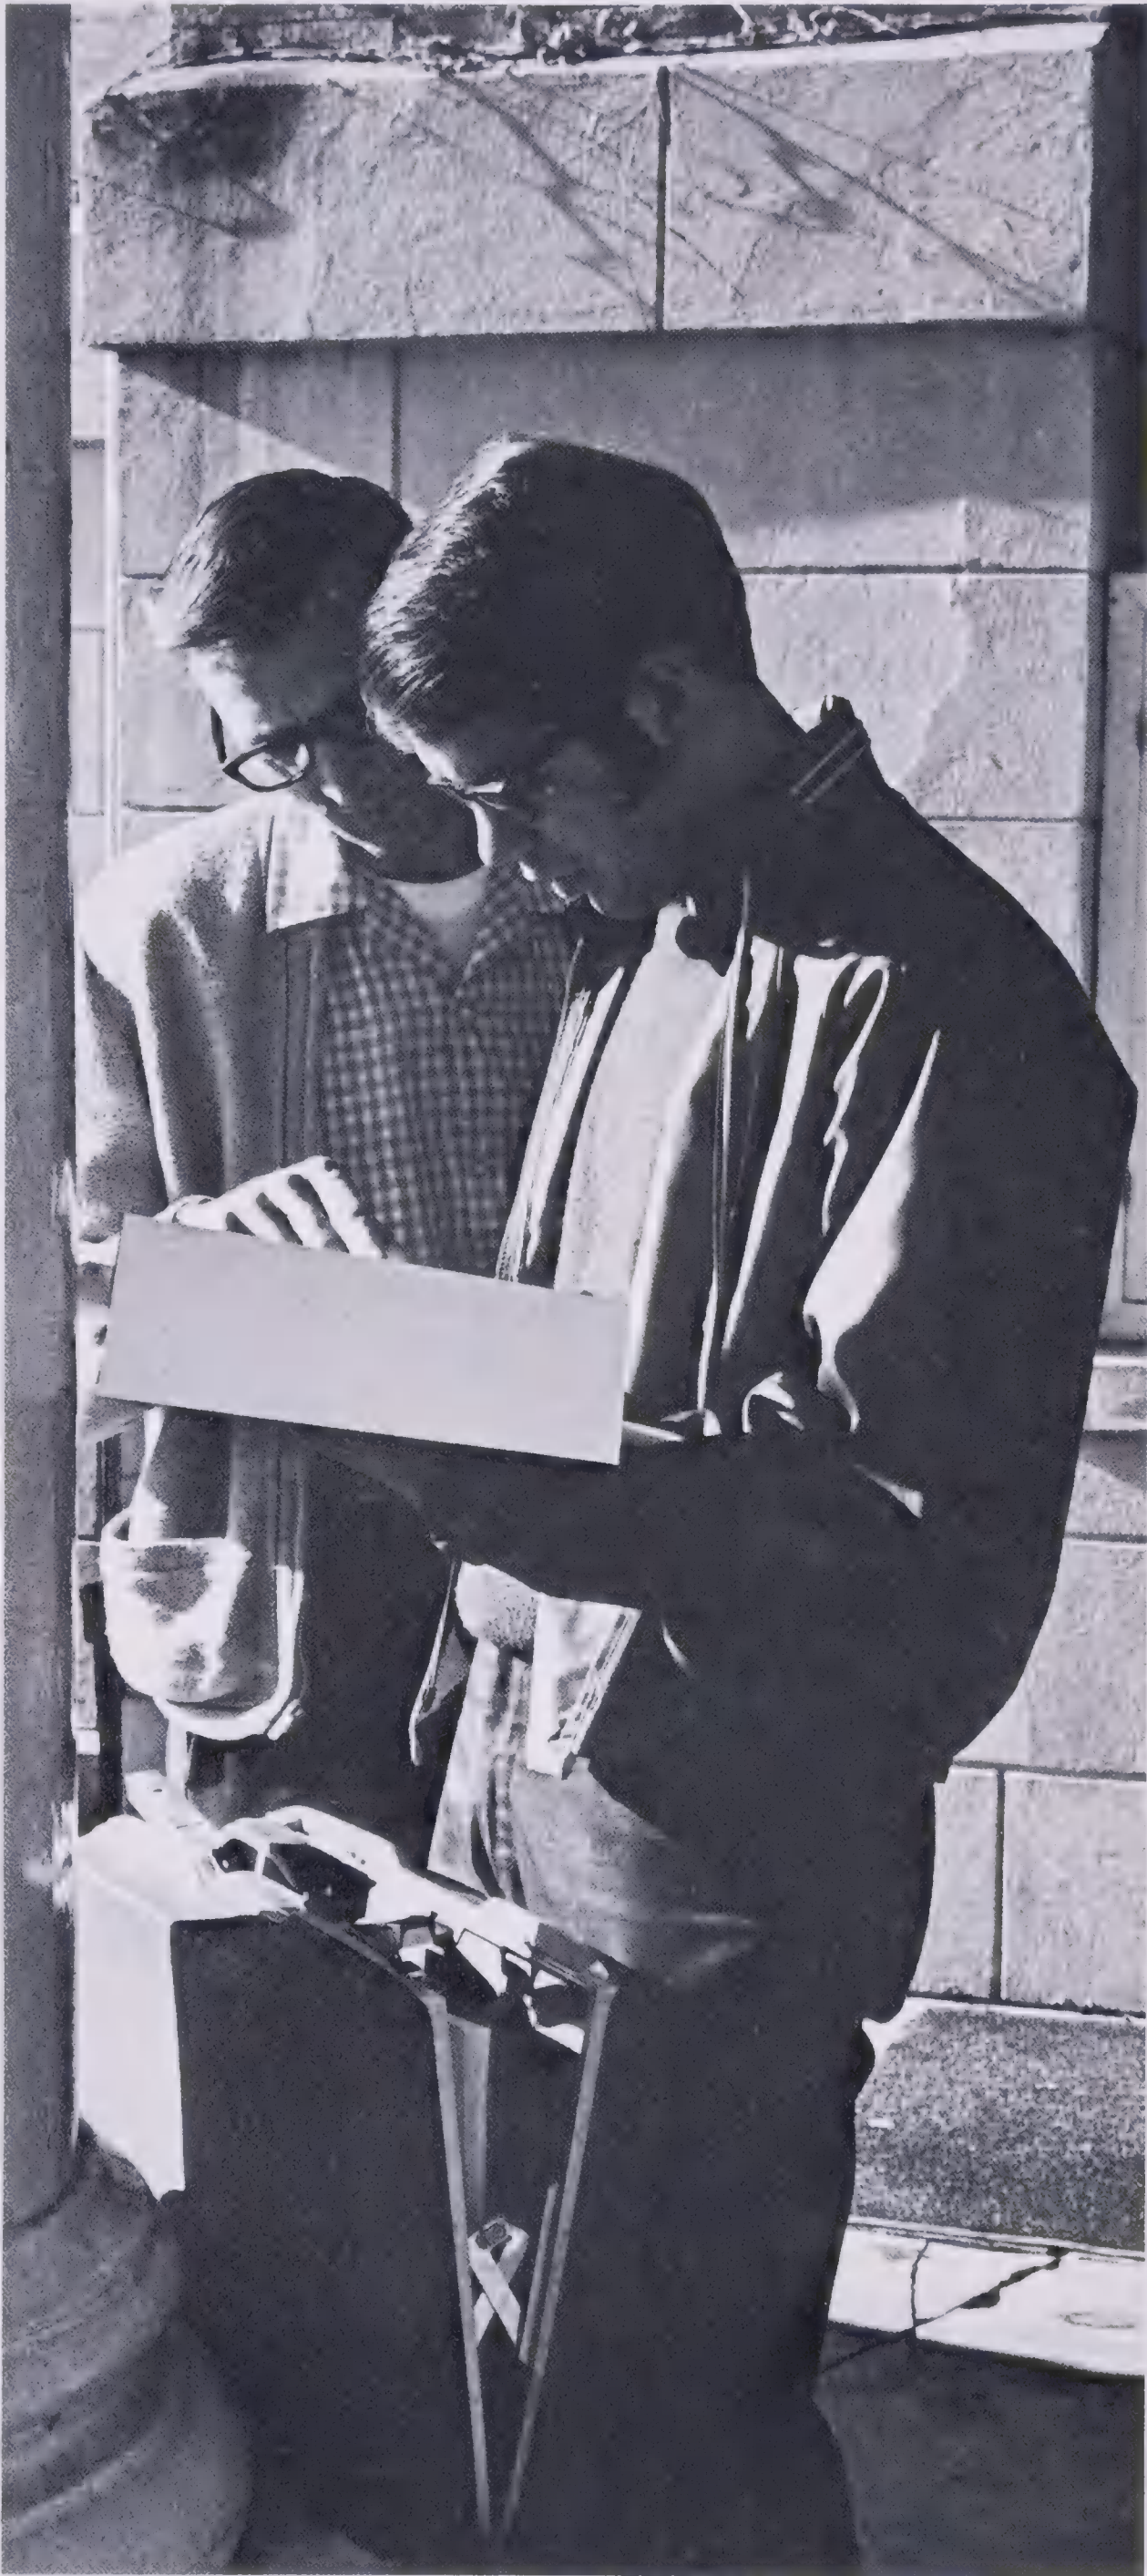

But your ears thirst for the
sound of your heart's knowledge.
You would know in words
that which you have
always known in thought.
You would touch with your fingers
the naked body of your dreams
and it is well you should." *

*Kahlil Gibran, *The Prophet*

Used by permission, Alfred A. Knopf, Inc.

Reaching, grasping more.

And the force of
an excellence causes
tendrils to stretch out,
grow, and ultimately
form a supple plant
flowering into a
realization of sharing.

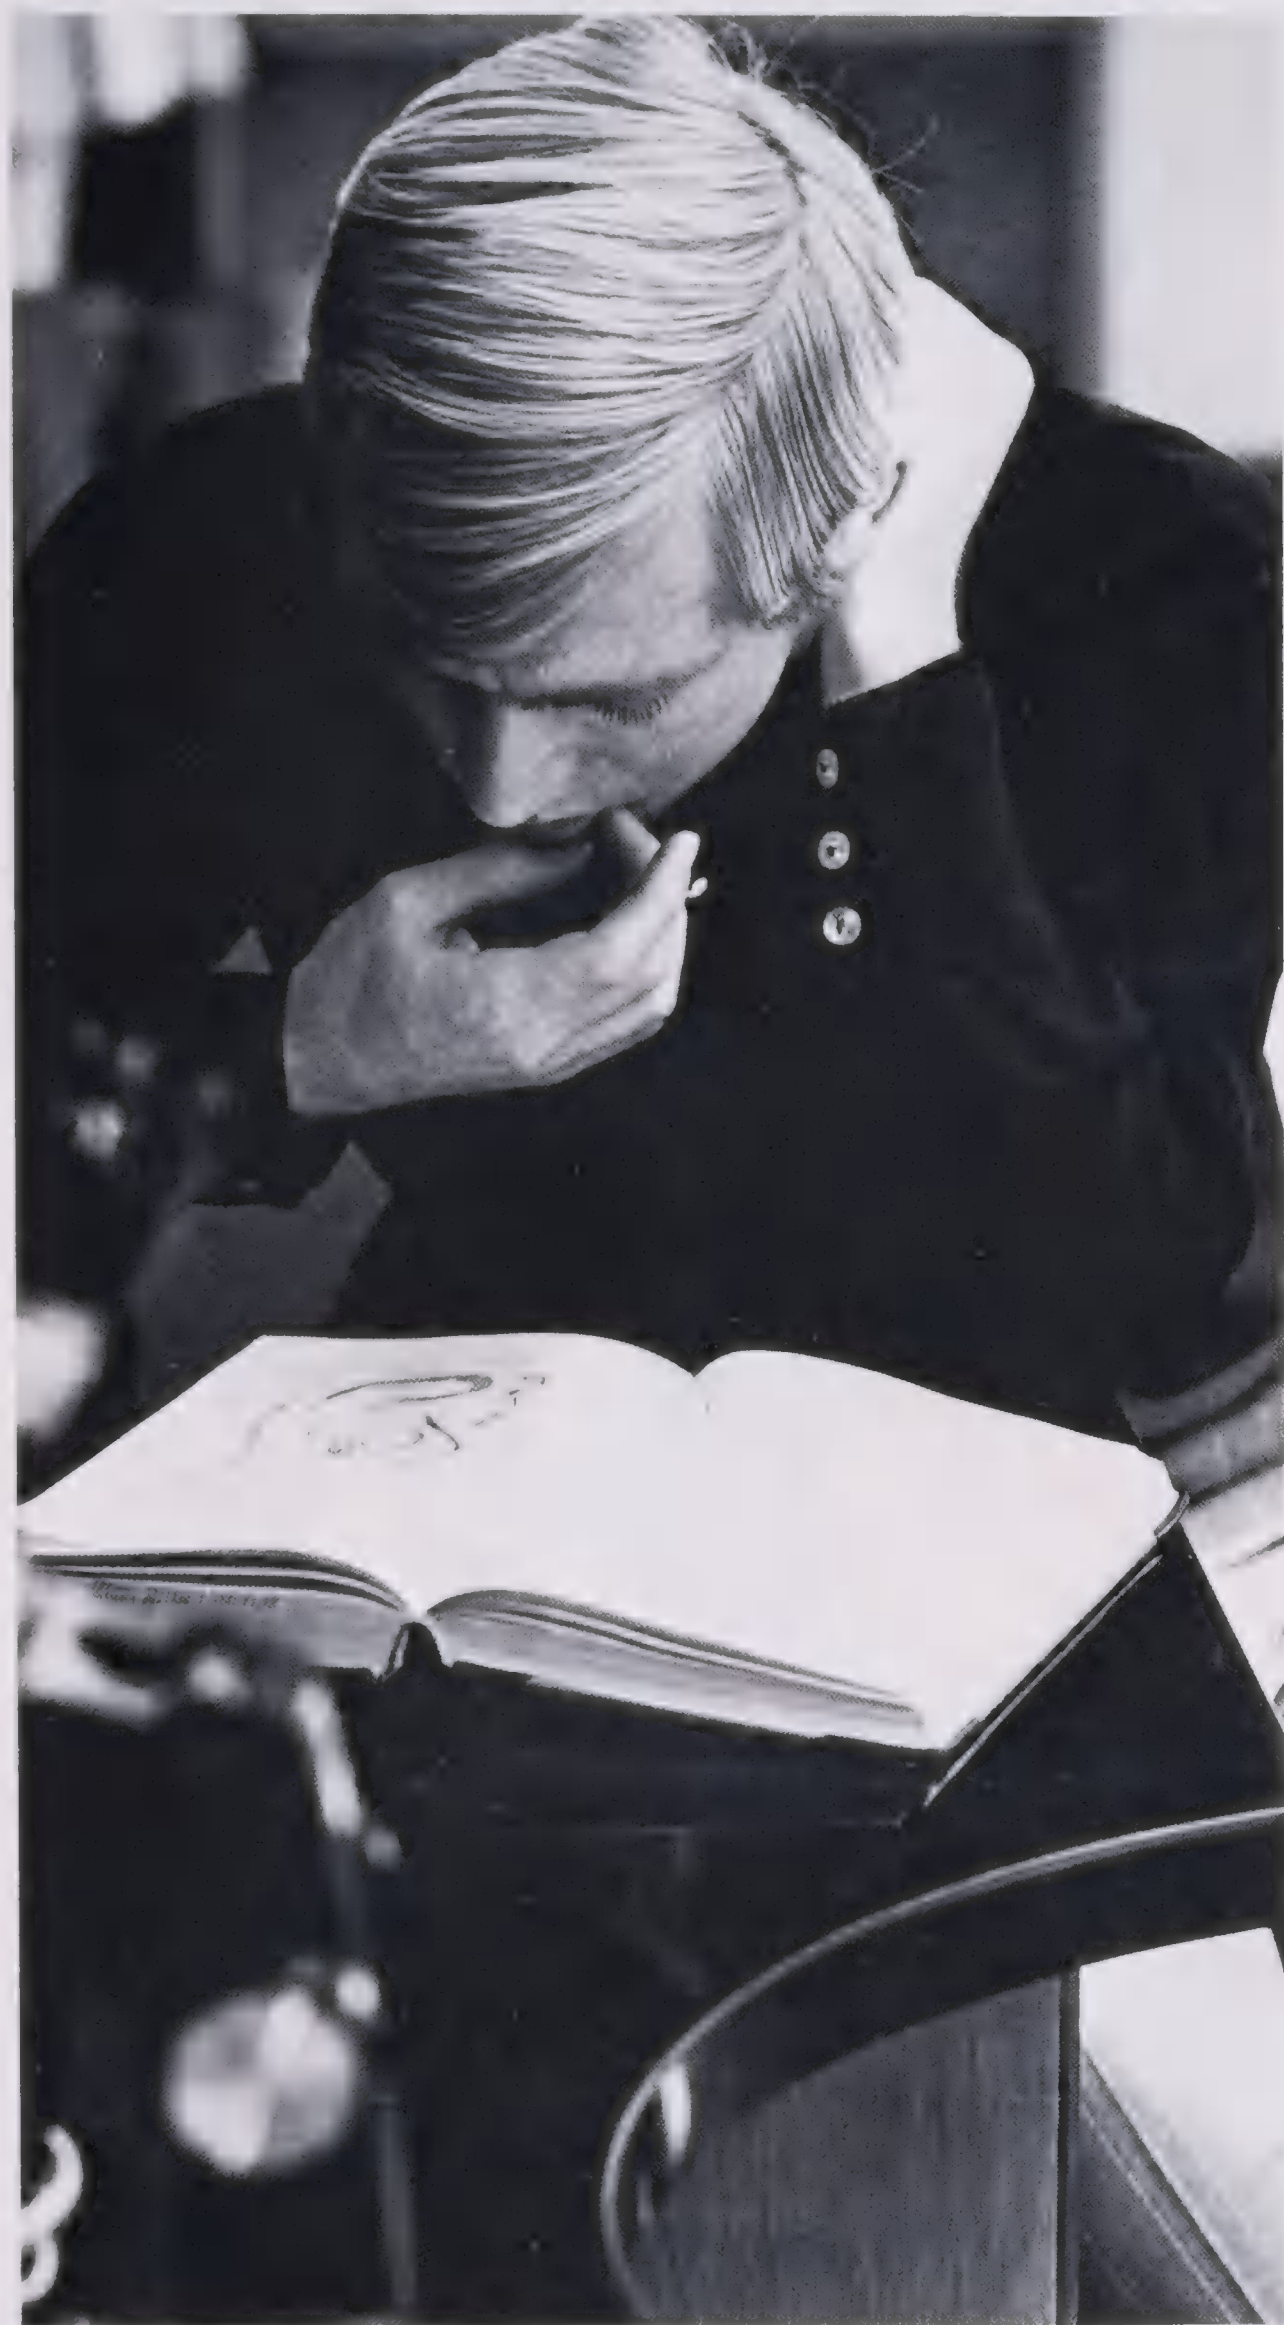

" . . . it occurred to me that the delicate shades of feeling, of reaction, are the result of communication, and without such communication they tend to disappear. . . . "*"

*John Steinbeck *Travels With Charley*
Used by permission, Viking Press, Inc.

Conversation ripe--
youth's search for wisdom blooming
still with innocence

*To be heard
while passing through.*

*Assimilating many things--
a friend's complete happiness,
his disappointment
and everything in between.*

*The rain pouring hard
outside the window on a November afternoon--*

Uncontrollable laughter
amid the fluttering
and whispering
pages of the
library's volumes.

Columbia's speakers,
continued utterances.

*Now ready,
breaking from
the confines
of your silence--*

*Joining with others
sharing, knowing.
A growth measured in
communication and perception.*

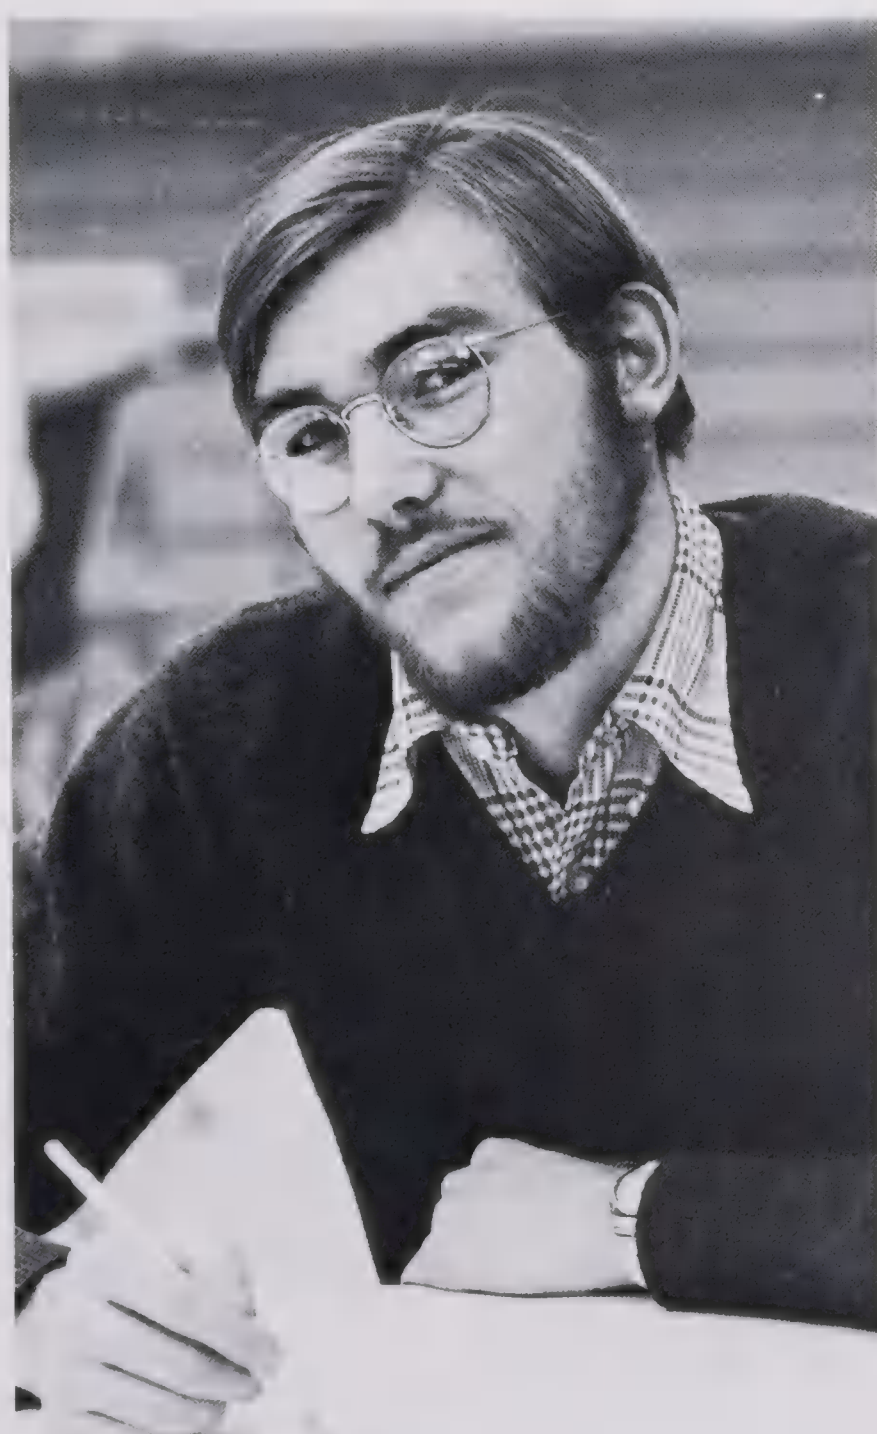

*"When you meet
your friend on the
roadside . . . , let the
spirit in you
move your lips
and direct your tongue.*

*Let the voice within
your voice speak to
the ear of his ear*

For his soul will keep the truth of your heart
as the taste of the wine is remembered
when the color is forgotten
and the vessel
is no more.”*

*Kahlil Gibran, *The Prophet*
Used by permission, Alfred A. Knopf, Inc.

*Later reflecting and
considering, still
listening--echoes--*

*a realization of having been
heard while passing through.*
